blau/blau

blaugelbgrün

The image displays four vertical strips of fabric, each with a distinct color and texture. The strips are arranged from left to right. The first strip is a dark, rich brown. The second strip is a vibrant orange with a pinkish hue. The third strip is a bright, saturated orange. The fourth strip is a lighter, more natural-looking orange. Each strip has a thin, darker border along its edges. The fabric appears to be a fine, woven material, possibly silk or a similar lightweight fabric. The background is a plain, light-colored surface.

pink

The image displays three vertical fabric samples against a white background. Each sample has a distinct colored border. The first sample on the left has a black border. The middle sample has a purple border. The third sample on the right has a green border. The fabric itself is a light, neutral color, possibly beige or light brown. The text labels are overlaid on the fabric samples.

violettcognac/cognac

violettgrün

violettcognac/violett

Three fabric samples are displayed side-by-side. Each sample consists of a central grey fabric panel with a contrasting border. The first sample has a white border, the second has a black border, and the third has a natural tan border. The text labels are overlaid on the grey panels.
